### Description

#### FOLIO VERSION

1837. Cristino commanders plan an ambitious three-pronged attack to annihilate Carlist forces in the North of Spain and hopefully bring an end to the war. However, the planned concentration of forces goes awry. Carlist General Don Sebastian takes advantage of the situation with a lightning march to reinforce a Carlist force threatened by a Cristino army of Spanish and British auxiliaries near Oriamendi. The stage is set.
