## Description

This is an expansion for Dinosaur Table Battles. What happened is that Mary asked for more dinosaurs – she may or may not have said please, and it may or may not have been a request. Regardless, six new dino-combatants are ready to join the fifteen from the base game.

Some of the new dinos are classified as Air Dinosaurs, and some as Wet Dinosaurs. Air Dinosaurs ignore blocks – unless those blocks are thrown by other Air Dinosaurs! Likewise, the targeting restrictions of Wet Dinosaurs can be negated by enemy Wet Dinosaurs. Air Dinosaurs and Wet Dinosaurs are also weaker against each other – Air Dinosaurs aren't very strong swimmers, and Wet Dinosaurs are afraid of heights. From the massive Quetzalcoatlus to the cunning Gallimimus, these new dinosaurs can dramatically change the flow of a match.
