Description

**2021 Redux Version**

**THIS IS AN EXPANSION. You need to own some previous Horse & Musket titles to play it.**

The second annual scenario book for Sean Chick's Horse & Musket series brings twenty new battles to your table drawn from throughout the eras covered in the first four volumes. Ownership of all four will enable you to enjoy all twenty scenarios, but several scenarios can be played only with the base game (Dawn of an Era), or the base game and one expansion.
